

**Northwest Ohio Genealogy Seminar**  
**Saturday, June 18, 2016**  
**10:00 am – 4:00 pm**

**Location:** Rutherford B. Hayes Presidential Library & Museums in Fremont, Ohio

**Sponsored By:** Ohio Genealogy Society Chapters of Huron County, Seneca County, Sandusky County, Erie County, Ashland County, Crawford County, and the Rutherford B. Hayes Presidential Library & Museums.

**Session 1 (10:00 am – 12:00 pm):** Richard Hill of Rockford, Michigan, author of *Finding Family: My Search for Roots and the Secrets in my DNA*. He will introduce us to several forms of DNA testing along with sharing the fascinating story of his personal odyssey. Website: <http://www.dna-testing-adviser.com>.

**Session 2 (2:00 pm – 4:00 pm):** Dana Palmer, Certified Genealogist, of Lebanon Ohio. She will speak on Ohio Research (researching in the whole state of Ohio, resources on the web, how to access info from archives, societies and libraries and some basic info on finding adoptions in Ohio and an additional topic to be announced).

**Lunch (12:00 pm – 2:00 pm): On your own.** A list of local restaurants will be given to you to choose from that are near the event location, or pack your own lunch to eat at nearby Birchard Park with picnic tables.

**Registration:** Pre-registration is required as space is limited! Please email the number of guests, and their names to [northwestohiogenealogyseminar@gmail.com](mailto:northwestohiogenealogyseminar@gmail.com).

**Fee:** \$10 per person, payable at the door.

**Cancellations:** If you have to cancel, PLEASE let us know as soon as possible via email so we can accommodate everyone.

**Added Bonus:** The free Hayes Presidential Library and its excellent genealogical collection will be open 9:00 am to 5:00 pm. Tours of the Hayes Home and Museum will also be available for those not wanting to attend the entire workshop. See Hayes website for details and fees: <http://www.rbhayes.org>

**Address:** Spiegel Grove, 1337 Hayes Avenue, Fremont, Ohio 43420.  
Entrance to the Hayes Center is at the corner of Hayes and Buckland Avenues.
